### MSRP

Species	USD
Walnut	1,800
Oak	1,400
Maple	1,400

A versatile piece of furniture, the Dibbet Stool functions as an extra seat, side table, or ottoman. The thick seat is hand carved with a slight concave that leaves a tactile and smooth texture. The elegant ripples represent hours of careful carving painstakingly hand-honed by our skilled craftsmen. Pictured in natural oak with a hand-rubbed oil & wax finish.
